How to Play:

The Eltech AFL Footy Tipping Comp will run from Opening Round (OR) through to the final regular AFL round of the 2024 season (inclusive). **Finals footy is not part of this competition.** Note Opening Round starts on 7th March 2024.

Players need to create (or login using) a www.footytips.com.au account, join the Eltech AFL Footy Tipping Competition by using the password provided in our communications, and submit their tips each week via www.footytips.com.au or the Footy Tips App (which can be downloaded from your app store).

Each week players need to enter their tips before the games start and select a margin on the first game of the round. The player at the end of regular AFL rounds for the 2024 season with the most correct tips wins.

There will also be a mid-season \$100 cash prize awarded after round 12. Competition entry is free.

Rules:

You must be an Eltech customer or work for an Eltech customer (or branch) to participate. The directors, management and employees of the Promoter (and their immediate families) and its suppliers and companies associated with this competition are not eligible to win any prizes.

Tips can be entered until a game starts. The player with the most correct tips at the end of regular AFL rounds for the 2024 season will be the winner and players will be ranked accordingly. In the case of a draw/tie, the margin will be used to rank players – therefore, the player with the most correct tips and the smallest margin score for the season would be the winner.

There will also be a mid-season \$100 cash prize awarded after round 12 for the leader at that point. The winner of this prize will be the player with the most correct tips, and margin will be used to split any ties/draws.

PLEASE NOTE - If a player forgets to put their tips in for a game, the player will receive ZERO points for that game.

Prize winners will be contacted directly by Eltech. Prize winners First initial and Surname will be published on the Eltech Competitions webpage www.eltech.com.au/competitions for at least 28 days once the competition ends.
